## What Do These Birds Have In Common?

Their health conditions were treatable due to generous donations to MickaCoo.

This month, you can help us raise \$50,000 from the Pepsi Refresh project:  
**Text\* 105245 to Pepsi (73774) every day through January 31.**

How will the money be used?

- \$43,000: Veterinary costs
- \$2,000: Medical supplies
- \$5,000: Public awareness campaign.

NO salaries or compensation - we're staffed entirely by volunteers.
