◆ Adopt a King Pigeon! (or two) ◆

MickaCoo is an all-volunteer organization rescuing pigeons and doves from Bay Area shelters where they face euthanasia, and placing them in forever homes.

Most rescued birds are King pigeons (pictured), a majestic all-white, domesticated species. They can not survive in the wild or in the streets.

Kings make excellent pets! They don't ask for much: a regularly cleaned enclosure (in- or outdoors), fresh seeds and water, company (yours or another pigeon's; they are doting spouses), vet care as needed, and family planning (replace real eggs with fakes). If you are interested in adopting, or want to learn more about us or pigeons / doves, contact:

We need your help!

- ★ Forever homes for pigeons and doves
- ★ Donations -- every penny donated goes to vet care
- ★ Volunteers (outreach, foster care and transport...)
