Adoption Fair – Publicity Help Wanted!

By Pamela A. Lee

Have contacts at a South Bay television or radio station? Want to help our birds find forever homes? Mickaboo needs YOU!

We are planning a South Bay adoption fair for this summer. We have seen the right TV and radio publicity make a real difference in public interest and attendance. This is where YOU come in! Optimally, you have TV/radio contacts, can introduce us to them, and help ensure the TV/radio folk receive what they need on a timely basis. Whether you can do it all, or just a piece of that task, we would appreciate hearing from you.

You could be a game-changer in improving the quality of life for the birds we foster now, as well as those birds we **could** rescue with the freed-up fostering space.
